#### Introduction

Prior to attempting this coursework assignment, Learners must familiarise themselves with the following policies:

- Centre Specification can be found at <a href="https://qualifi.net/qualifications/">https://qualifi.net/qualifications/</a>
- Qualifi Quality Assurance Standards
- Qualifi Quality Policy Statement

## **Plagiarism and Collusion**

In submitting the assignment Learner's must complete a statement of authenticity confirming that the work submitted for all tasks is their own. The statement should also include the word count.

Your accredited study centre will direct you to the appropriate software that checks the level of similarity. Qualifi recommends the use of <a href="https://www.turnitin.com">https://www.turnitin.com</a> as a part of the assessment.

Plagiarism and collusion are treated very seriously. Plagiarism involves presenting work, excerpts, ideas or passages of another author without appropriate referencing and attribution.

Collusion occurs when two or more learners submit work which is so alike in ideas, content, wording and/or structure that the similarity goes beyond what might have been mere coincidence

Please familiarise yourself on Qualifi's Malpractice and Maladministration policy, where you can find further information

## Referencing

A professional approach to work is expected from all learners. Learners must therefore identify and acknowledge ALL sources/methodologies/applications used.

The learner must use an appropriate referencing system to achieve this. Marks are not awarded for the use of English; however, the learner must express ideas clearly and ensure that appropriate terminology is used to convey accuracy in meaning.

Qualifi recommends using Harvard Style of Referencing throughout your work.

#### Appendices

You may include appendices to support your work, however appendices must only contain additional supporting information, and must be clearly referenced in your assignment.

You may also include tables, graphs, diagrams, Gantt chart and flowcharts that support the main report should be incorporated into the back of the assignment report that is submitted.

Any published secondary information such as annual reports and company literature, should be referenced in the main text of the assignment, in accordance of Harvard Style Referencing, and referenced at the end of the assignment.

## Confidentiality

Where a Learner is using organisational information that deals with sensitive material or issues, they must seek the advice and permission from that organisation about its inclusion.

Where confidentiality is an issue, Learners are advised to anonymise their assignment report so that it cannot be attributed to that particular organisation.

## **Word Count Policy**

Learners must comply with the required word count, within a margin of +10%. These rules exclude the index, headings, tables, images, footnotes, appendices and information contained within references and bibliographies.

When an assessment task requires learners to produce presentation slides with supporting notes, the word count applies to the supporting notes only.

#### **Submission of Assignments**

All work to be submitted on the due date as per Centre's advice.

All work must be submitted in a single electronic document (.doc file), or via Turnitin, where applicable.

This should go to the tutor and Centre Manager/Programme Director, plus one hard copy posted to the Centre Manager (if required)

#### Marking and grades

Qualifi uses a standard marking rubric for all assignments, and you can find the details at the end of this document.

Unless stated elsewhere, Learners must answer all questions in this document.

## **Assignment Question**

#### Task 1 – 75 words

Understand corporate governance as it relates to organisations' financial planning and control.

1.1 Analyse the role of corporate governance in relation to an organisation's financial planning and control.

- Key Information: The purpose of corporate governance is to help build an environment of trust, transparency and accountability necessary for fostering long-term investment, financial stability and business integrity, thereby supporting stronger growth and more inclusive societies
- Within corporate governance, there are typically three key groups of stakeholders: shareholders, directors, and officers. In practice, these key players have the most power in corporate governance.
- A description is not sufficient to award a pass, learners must demonstrate their understanding by providing an examination of corporate governance works in practice and the impact on financial planning and control.

1.2 Analyse the implications to organisations of compliance and non-compliance with the legal framework.

- Key Information: Compliance is the act of complying with the rules, regulations, or standards relevant to your business and industry. In business, compliance is essential.
- With a compliance program in place, you can avoid negative exposure, avoid lawsuits, improve your bottom mine and retain staff, amongst other things

#### Task 2 – 100 words

Understand the economic and financial management environment.

2.1 Analyse the influence of the economic environment on business.

- The term economic environment refers to all the external economic factors that influence buying habits of consumers and businesses and therefore affect the performance of a company. These factors are often beyond a company's control and may be either large-scale (macro) or small-scale (micro).
- Learners must provide examples to demonstrate understanding. A description without examples is not sufficient to award a pass.

2.2 Discuss the role of financial and money markets.

• Key Information: The money market contributes to the economic stability and development of a country by providing short-term liquidity to governments, commercial banks, and other large organizations. Investors with excess money that they do not need can invest it in the money market and earn interest.

2.3 Analyse the benefits, drawbacks and associated risks of different sources of business finance.

• The sources of business finance are retained earnings, equity, term loans, debt, letter of credit, debentures, euro issue, working capital loans, and venture funding, etc.

• Financial risk can also apply to a government that defaults on its bonds. Credit risk, liquidity risk, asset-backed risk, foreign investment risk, equity risk, and currency risk are all common forms of financial risk. Investors can use a number of financial risk ratios to assess a company's prospects.

#### Task 3 – 75 words

Be able to assess potential investment decisions and global strategies.

3.1 Analyse the benefits, drawbacks and risks of a range of potential investment decisions and strategies for a business.

• Key Information It could be much more profitable putting the planned investment money in the bank and earning interest or investing in an alternative project. Typical investment decisions include the decision to build another grain silo, cotton gin or cold store or invest in a new distribution depot.

3.2 Assess the ways in which the global financial environment affects decision-making and strategies of a business.

- Key Information: Globalisation influences decision making and strategy due to the way it has created the need to: change leadership style; utilise international diversification as a strategic option; and reduce international trade barriers.
- Learners' assessment should include their own original thoughts and opinions using examples to provide a justification for their judgements.
